In compliance with the NCAA regulations regarding summer basketball leagues, I request official permission to participate in the league listed below. This league has been sanctioned by the NCAA. Further, I am aware of the following restrictions imposed by the NCAA regarding summer competition:

- All competition must be between June 15 and August 31.
- No more than two players with remaining eligibility from any Division I college or junior college may participate on any one team
- No team or league can have on its staff any person employed in any capacity at a college, university or junior college
- No team may pay a player's expenses, either directly or indirectly
- All players must limit their participation to one team in one league
- No fees, admission, etc. may be charged for a game
- No all-star games of any kind are permitted
- Playoffs must be completed by August 31
- League play must be within 100 miles of the student/athlete's permanent address or within 100 miles of the student's institution

I UNDERSTAND THAT FAILURE TO COMPLY WITH ANY OF THE ABOVE REGULATIONS WILL JEOPARDIZE MY REMAINING ELIGIBILITY AT CORNELL.
